

RESIDENTIAL

CONTAINER USE INSTRUCTIONS

Your service day is...

Monday
Tuesday
Wednesday
Thursday
Friday

1. Your container(s) need to be brought to the public access road in front of your establishment before 6:00 a.m. on your service day. We understand 6:00 a.m. is early for some people so we highly suggest you place your containers(s) out in front of your establishment the night prior to your service day. If the container(s) are not out in front of your establishment, it cannot be picked up. Virgin Valley Disposal will not return to service if the container(s) are not in place prior to 6:00 a.m.
2. Container(s) need to be placed in a clear area. The Collection Truck needs to be able to get within three (3) feet of the container. The container should be placed away from cars, posts, fences, trees, etc. Those with two (2) containers need to place the containers three (3) feet apart from each other.
3. Container(s) need to be on the edge of the street. (NOT ON THE SIDEWALK OR AGAINST THE CURB).
4. All garbage should be inside the container with the lid closed. Use only the Container(s) provided. The special truck cannot handle other containers! Please do not set items next to the containers extra (normal household) items can be taken to the Landfill for no extra charge. (Please take your container number(s) with you to the landfill.
5. You will be able to put more garbage in the container(s) if you will break down boxes, milk cartons, and other bulk items.
6. **IMPORTANT!!!** ARROW ON THE LID OF THE CONTAINER MUST BE POINTING TOWARDS THE STREET.

* Questions, problems, or concerns should be directed to Virgin Valley Disposal, Inc. at 346-5396 between the hours of 8:00 a.m. to 4:00 p.m.
