

June 14, 2019

Dear Valued Customer,

With the growth the City of Mesquite and surrounding area is having, Virgin Valley Disposal needs to make some necessary changes to your residential trash service days. Please read carefully the following changes and please visit our website at www.vvdisposal.com or give us a call at 702-346-5396 with any questions regarding these changes. Please refer to the Map which defines the areas/service days changing in **November 2019**.

Changes will take effect in November 2019

Virgin Valley Disposal would like to inform all residents living in the Sun City Mesquite Anthem area **East** of Falcon Ridge Parkway whose normal trash service is on **Tuesdays**, that starting in **November** your **NEW** trash day will be on **Wednesdays (refer to map)**.

All residents living **West** of Falcon Ridge Parkway in the Sun City Mesquite Anthem area, your trash day will remain on the same day, **Tuesdays**.

All residents living between Falcon Ridge Parkway and West of Horizon Blvd whose normal trash day is on **Thursdays**, your **NEW** service day starting in **November** will be on **Wednesdays (refer to map)**. These subdivisions include (*Mesa Hills, The Reserve, Highland Hills, Calais, Calais Townhomes, Falcon Crest, Shadow Hawk, Sun Crest, Shadow Crest and View Point*). We would ask you to please have your trash container(s) out the night before or by 6:00 a.m. **Wednesday** morning so there is no possibility of your container(s) not being picked up.

All other residents, whose normal service day is **Thursdays**, please have your container(s) out the night before or by 6:00 a.m. **Thursday** morning, these changes will affect the time the driver will be in your area.

Again we would like to remind all residents that there is **NO** set time for your trash service, only a set day, so please have your trash out the night before or by 6:00 a.m. the day of your service so there is no disruption in your container being serviced.

Thank you!!!
